- Training programmes and support materials
- Sector specific scenarios
- Continued Professional Development
- Ongoing trainer support
- Advice and tools for subject specific risk assessment and training needs analysis

Sector requirements

Conflict management is a fast growing professional field. Regulators across different sectors are increasingly setting requirements for training and trainers. Conflict Pro is committed to supporting trainers through such changes as part of trainer continued professional development and will offer sector induction and conversion programmes as required.

- For trainers operating in the **security industry**, contact Skills for Security 08450 750 111
- For those operating within **door supervision** the BII partners Maybo (contact Maybo for information and bookings 01580 881346).
- For all other sectors please contact ConflictPro direct.
